

WARRANTY POLICY

SureFire Ag Systems, Inc. (hereinafter referred to as "SureFire") warrants the whole goods products it sells to be free from defects in material or workmanship for a period of one (1) year from the date of sale of the product(s) to the original user.

SureFire warrants the parts it sells to be free from defects in material or workmanship for a period of ninety (90) days from the date of delivery of the product(s) to the original user. This shall include replacement parts installed by SureFire.

Warranty of SureFire whole goods and/or parts applies only to material and workmanship. Misuse, misapplication, neglect, alteration, accident, normal wear, or acts of God affecting SureFire products are not eligible for warranty. Warranty shall apply only to the smallest reasonably serviced component (e.g. if a PWM solenoid fails on a hydraulic pump assembly, only the solenoid will be covered under warranty, not the entire pump assembly). In the event that multiple components are replaced, component warranty eligibility will be assessed once the parts are returned to SureFire for determination of failure (parts determined to still be in working order will be returned to the dealer and warranty will not apply to those components).

WARRANTY CLAIMS: A warranty claim and request to return defective product(s) must be presented to the SureFire Service Department, describing the defect in material or workmanship of the product(s). This claim may be made via phone, e-mail, fax, or written request. Claims for warranty of whole goods or parts must also include proof of date of sale of the product(s) to the original user.

The SureFire Service Department will proceed in making a preliminary decision as to the eligibility of the claim for warranty consideration. After the SureFire Service Department deems it necessary to proceed with warranty consideration, a determination will be made as to whether or not the original product needs to be returned to SureFire. In the event a return is deemed necessary, a Return Materials Authorization (RMA) will be generated by the SureFire Service Department. The defective product(s) in question must be sent, freight prepaid, within fourteen (14) days of the discovery of the product failure and initial warranty claim. Replacement product(s) may be sent to the selling dealer, directly to the customer, or picked up at the SureFire facility. At the discretion of the SureFire Service Department, replacement product(s) may be sent prior to, or after, the SureFire Returns Department receives the defective product(s).

Any variation in the above procedure is at the sole discretion of the SureFire Service Department.

SureFire agrees to handle all warranty claims in a timely manner and will inform dealers of any revisions or modifications to the SureFire Warranty Policy. Eligible warranty claims will be processed by SureFire within sixty (60) days of receiving failed product(s).

If a warranty claim is found to be ineligible for warranty coverage, the SureFire Service Department will be responsible to inform the dealer or end user in order to determine the course of action to be taken. SureFire reserves the right to make changes in specification and design without notice and without incurring any obligations to owners of products previously sold.
